<b>STATE/FEDERAL GRANTS</b>					
<b>Current Funding Opportunities</b>					
<b>Federal Community Project Funding</b>	Federal appropriations	None	The next solicitation of federal community project funding has opened up. TPA provided ECCFPD with a strategic funding matrix detailing the opportunities to secure funding. The deadline to submit to Senator Feinstein and Senator Padilla has passed, but there is still an opportunity to submit through Congressman McNerney.	TBD, likely mid-April	<i>MOTCO seed funding, Mobile Communications Vehicle, Fire Station</i>
<b>CalFIRE Urban and Community Forestry Program</b>	75% of funding will be used for disadvantaged communities  Min. Grant: \$150,000  Max Grant: \$1,5 million	25%	Through the California Climate Investments (CCI) Urban & Community Forestry Grant Program, CAL FIRE works to optimize the benefits of trees and related vegetation through multiple-objective projects. Eligible project categories include (1) Urban Forest Expansion and Improvement, (2) Urban Forest Management, and (3) Urban Forestry Education and Workforce Development	Concept Proposals due July 14, 2022	<i>Urban Forest Management Plans and Implementation activities</i>
<b>Upcoming Funding Opportunities</b>					
Department of Forestry & Fire Protection  <b>California Climate Investments Fire Prevention Grant Program</b>	TBD	None required, but is a positive factor.	Through the California Climate Investments (CCI) Fire Prevention Grant Program, CAL FIRE aims to reduce the risk of wildland fires to habitable structures and communities, while maximizing carbon sequestration in healthy wildland habitat and minimizing the uncontrolled release of emissions emitted by wildfires.  The three qualifying projects and activities include those related to hazardous fuel reduction and removal of dead, dying, or diseased trees, fire prevention planning, and fire prevention education.	Next cycle in 2022	<i>Tree removal/fuel reduction</i>
