## SECTION 1 — UNION RECOGNITION

The Union is the formally recognized employee organization for the employees covered by this Agreement which consists of the classifications listed below:

- Administrative Assistant I
- Administrative Assistant II
- Permit Technician
- Payroll Technician

## SECTION 2 — UNION SECURITY

**2.1. Dues Deduction.** Only a majority representative may have dues deduction and as such the Union has the exclusive privilege of dues deduction for all employees in its units.

**2.2. Maintenance of Membership.** All employees in the unit represented by the Union who are currently paying dues to the Union and all employees who hereafter become members of the Union shall, as a condition of continued employment, pay dues to the Union for the duration of this MOU and each year thereafter so long as the Union continues to represent the position to which the employee is assigned.

**2.3. Payroll Deduction.** The Union may have the regular dues of its members deducted from employees' paychecks. Dues deduction shall be made only upon certification from the Union that a worker has authorized such deduction, and shall continue until such certification is revoked, in writing, by the Union.

Employees may voluntarily elect to have contributions deducted from their paychecks for the PEOPLE Fund (AFSCME).

Not more than once per week the Union will send a list of changes to its Union member listing by email to the District's payroll office with the following Certification statement:

"I, [NAME, TITLE], hereby certify that AFSCME Local 2700 possesses and will maintain an authorization (for dues deductions and/or voluntary political contribution deductions, as indicated) signed by the individuals on this list from whose salary or wages the deductions is to be made."

Certified spreadsheets will be processed for the following week's payroll.

**2.4. Communicating With Employees.** The Union shall be allowed to use designated portions of bulletin boards or display areas in public portions of District buildings or in public portions of offices in which there are employees represented by the Union, provided the communications displayed have to do with matters within the scope of representation and further provided that the employee organization appropriately posts and removes the information. The District reserves the right to remove objectionable materials after consultation with the Union.

Representatives of the Union, not on District time, shall be permitted to place a supply of employee literature at specific locations in District buildings if arranged through the District or designated representative; said representatives may distribute employee organization literature in work areas (except work areas not open to the public) if the nature of the literature and the

proposed method of distribution are compatible with the work environment and work in progress. Such placement and/or distribution shall not be performed by on-duty employees.

The Union shall be allowed access to work locations in which it represents employees for the following purposes:

1. to post literature on bulletin boards;
2. to arrange for use of a meeting room;
3. to leave and/or distribute a supply of literature as indicated above;
4. to represent an employee on a grievance, and/or to contact a union officer on a matter within the scope of representation.

In the application of this provision, it is agreed and understood that in each such instance advance arrangements, including disclosure of which of the above purposes is the reason for the visit, will be made with the departmental representative in charge of the work area, and the visit will not interfere with District services.

**2.5. Use of District Buildings.** The Union shall be allowed the use of areas normally used for meeting purposes for meetings of District employees during non-work hours when:

- a. such space is available and its use by the Union is scheduled twenty-four (24) hours in advance;
- b. there is no additional cost to the District;
- c. it does not interfere with normal District operations;
- d. employees in attendance are not on duty and are not scheduled for duty; and
- e. the meetings are on matters within the scope of representation.

The administrative official responsible for the space shall establish and maintain scheduling of such uses. The Union shall maintain proper order at the meeting, and see that the space is left in a clean and orderly condition.

The use of District equipment (other than items normally used in the conduct of business meetings, such as desks, chairs, and white boards) is strictly prohibited, even though it may be present in the meeting area.

**2.6. Advance Notice.** The Union shall, except in cases of emergency, have the right to reasonable notice of any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the Board, or boards and commissions appointed by the Board, and to meet with the body considering the matter.

The listing of an item on a public agenda, or the mailing of a copy of a proposal at least seventy-two (72) hours before the item will be heard, or the delivery of a copy of the proposal at least twenty-four (24) hours before the item will be heard, shall constitute notice.

In cases of emergency when the Board, or boards and commissions appointed by the Board, determines it must act immediately without such notice or meeting, it shall give notice and opportunity to meet as soon as practical after its action.

**2.7. Written Statement for New Employees.** The District will provide a written statement to each new employee hired into a classification in any of the bargaining units represented by the Union, that the employee's classification is represented by the Union and the name of a representative of the Union. The District will provide the employee with a packet of information which has been supplied by the Union and approved by the District. The District shall notify the Union with at least ten (10) days advance notice of the date, time and location of the District new employee orientation meetings and provide an opportunity for the Union to make a twenty (20) minute presentation at the end of the District's new employee orientation meetings.

**2.8. Employee Roster.** The District shall supply without cost to the Union at least every 120 days (e.g. quarterly) an electronic and sortable list with a data processing run of the names and classifications of all employees in the unit represented by the Union. There shall be no discrimination against any physically or mentally disabled person solely because of such disability. There shall be no discrimination because of Union membership or legitimate Union activity against any employee or applicant for employment by the District or anyone employed by the District.

The District agrees to abide by its Anti-Harassment Policy.

**3.1. Americans With Disabilities Act (ADA).** The District and the Union recognize that the District has an obligation to reasonably accommodate disabled employees. If by reason of the aforesaid requirement the District contemplates actions to provide reasonable accommodation to an individual employee in compliance with the ADA which are in conflict with any provision of this MOU, the Union will be advised of such proposed accommodation. Upon request, the District will meet and confer with the Union on the impact of such accommodation. If the District and the Union do not reach agreement, the District may implement the accommodation if required by law without further negotiations. Nothing in this MOU shall preclude the District from taking actions necessary to comply with the requirements of ADA.

## **SECTION 4 — SHOP STEWARDS | OFFICIAL REPRESENTATIVES**

**4.1. Attendance at Meetings.** Employees designated as shop stewards or official representatives of the Union shall be allowed to attend meetings held by District agencies during regular working hours on District time as follows:

Shop stewards and union officials shall advise, as far in advance as possible, their immediate supervisor, or his/her designee, of their intent to engage in Union business. All requests for release time shall include the location, the estimated time needed and the general nature of the Union business involved (e.g., grievance meeting, Skelly hearing).

**4.3. Release Time For Training.** The Union may request release time for union designated stewards or officers to attend union-sponsored training programs. Requests for release time shall be provided in writing to the District at least fifteen (15) days in advance of the time requested. The District will reasonably consider each request and notify the affected employee whether such request is approved, within one (1) week of receipt.

- B. Longevity Pay. Employees with ten (10) years of continuous District service shall be eligible to receive a two and one-half percent (2.5%) longevity pay differential.
- C. Shift Differential. In the hours which qualify for shift differential, employees shall receive five percent (5%) above their base salary rate. To qualify for shift differential, an employee must have a regularly assigned daily work schedule which requires completion of more than one and one-half (1-1/2) hours over the normal actual working time;
- D. Bilingual Pay. A salary differential of one-hundred dollars (\$100.00) per month shall be paid incumbents of positions requiring bilingual proficiency as designated by the District. Said differential shall be prorated for employees working less than full time. Designation of positions for which bilingual proficiency is required is the sole prerogative of the District. The Union shall be notified when such designations are made.

**5.2. Entrance Salary.** New employees shall generally be appointed at the minimum step of the salary range established for the particular class of position to which the appointment is made. However, the appointing authority may fill a particular position at a step above the minimum of the range.

**5.3. Anniversary Dates.**

- A. New Employees. The anniversary date of a new employee shall be the date of hire as a regular employee of the District.
- B. Promotions. The anniversary date of a promoted employee is determined on the date of promotion.
- C. Demotions. The anniversary of a demoted employee is determined on the date of demotion.
- D. Transfer, Reallocation and Reclassification. The anniversary date of an employee who is transferred to another position, or one whose position has been reallocated or reclassified to a class allocated to the same salary range or to a salary range which is within five percent (5%) of the top step of the previous classification, remains unchanged.
- E. Reemployments. The anniversary of an employee appointed from a reemployment list shall be the first day of the calendar month after their rehire. If an employee is appointed from a reemployment list, that employee shall maintain the step of the applicable salary range from the classification they held prior to leaving the District.
- F. A change in an employee's salary because of promotion, demotion, or upward reclassification will set a new anniversary date for that employee. Salary range adjustments for a classification will not set a new salary anniversary date for employees.

#### **5.4. Pay Increases.**

##### **A. Entrance Salary.**

New employees shall generally be appointed at the minimum step of the salary range established for the particular class of position to which the appointment is made. However, the District may fill a particular position at a step above the minimum of the range if the employee possesses well documented, exceptional training or experience that warrants a start above the first step. The District shall notify the Union of any occasion where a new employee is hired at a starting salary of Step 2 or above for the applicable classification.

##### **B. Criteria For Step Increases Within Range.**

Except those employees already at the maximum salary step of the appropriate salary range, step increases shall be reviewed on the employee's anniversary date as set forth in Section 5.3 to determine whether the salary of the employee shall be advanced to the next higher step in the salary range. All step increases shall be based upon the employee's satisfactory performance, as shown from the employee's annual performance evaluation. Denial of a step increase shall be based upon documented performance evaluations. In the event the employee does not receive a written performance evaluation within thirty (30) days of the employee's anniversary date, the step increase shall be approved and paid retroactive to the anniversary date. The decision to deny a step increase may be appealed through the Grievance Procedure.

##### **C. Frequency of Step Increases.**

Upon completion of six months of service, a new employee is eligible for a step increase. On an employee's first anniversary date, an employee is eligible for another step increase. With the exception of newly hired employees in their first year, pay increases within range shall not be granted more frequently than once a year. Approved step increases shall be effective on the employee's anniversary date and will be paid on the first day of the bi-weekly pay period following completion of the required period of service. Employees will be eligible for step increases on an annual basis until the employee attains the highest step in their classification.

Nothing herein shall be construed to make the granting of step increases mandatory on the District. If the District verifies in writing that an administrative or clerical error was made in failing to submit the documents needed to advance an employee to the next salary step on the pay period when eligible, said advancement shall be made retroactive to the pay period when the employee became eligible.

**5.5. Part-Time Compensation.** A part-time employee shall be paid a monthly salary in the same ratio to the full time monthly rate to which the employee would be entitled as a full time employee under the provisions of this Section 5 as the number of hours per week in the employee's part-time work schedule bears to the number of hours in the full time work schedule of the District.

**5.6. Compensation for Portion of Month and Intermittent Compensation.** Any employee who works less than any full calendar month, except when on earned vacation or authorized sick leave, shall receive as compensation for services an amount which is in the same ratio to the established monthly rate as the number of days worked is to the actual working days in such

employee's normal work schedule for the particular month; but if the employment is intermittent, compensation shall be on an hourly basis, which is calculated on the number of hours in the month worked plus five percent (5%) above the salary step earned.

**5.7. Position Reclassification.** An employee who is an incumbent of a position which is reclassified to a class which is allocated to the same range of the basic salary schedule as is the class of the position before it was reclassified, shall be paid at the same step of the range as the employee received under the previous classification.

An incumbent of a position which is reclassified to a class which is allocated to a lower range of the basic salary schedule shall continue to receive the same salary as before the reclassification, but if such salary is greater than the maximum of the range of the class to which the position has been reclassified, the salary of the incumbent shall be reduced to the maximum salary for the new classification. The salary of an incumbent of a position which is reclassified to a class which is allocated to a range of the basic salary schedule greater than the range of the class of the position before it was reclassified shall be governed by the provisions of Section 5.9 - Salary on Promotion.

**5.8. Salary Reallocation & Salary on Reallocation.**

- A. In a general salary increase or decrease, an employee in a class which is reallocated to a salary range above or below that to which it was previously allocated, when the number of steps remain the same, shall be compensated at the same step in the new salary range the employee was receiving in the range to which the class was previously allocated. If the reallocation is from one salary range with more steps to a range with fewer steps or vice versa, the employee shall be compensated at the step on the new range which is in the same percentage ratio to the top step of the new range as was the salary received before reallocation to the top step of the old range, but in no case shall any employee be compensated at less than the first step of the range to which the class is allocated.
- B. In the event that a classification is reallocated from a salary range with more steps to a salary range with fewer steps on the salary schedule, apart from the general salary increase or decrease described in Section 5.8.A above, each incumbent of a position in the reallocated class shall be placed upon the step of the new range which equals the rate of pay received before the reallocation. In the event that the steps in the new range do not contain the same rates as the old range, each incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range, or if the new range does not contain a higher step, at the step which is next lower than the salary received in the old range.
- C. In the event an employee is in a position which is reallocated to a different class which is allocated to a salary range the same as, or above or below the salary range of the employee's previous class, the incumbent shall be placed at the step in the new class which equals the rate of pay received before reallocation. In the event that the steps in the range for the new class do not contain the same rates as the range for the old class, the incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range; or if the new range does not contain a higher step, the incumbent shall be placed at the step which is next lower than the salary received in the old range.

**5.9. Salary on Promotion.** Any employee who is appointed to a position of a class allocated to a higher salary range than the class previously occupied shall receive the salary in the new salary range which is next higher than the rate received before promotion. In the event this increase is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is at least five percent (5%) greater than the next higher step; provided, however, that the next step shall not exceed the maximum salary for the higher class. In the event of the appointment of a laid off employee from the layoff list to the class from which the employee was laid off, the employee shall be appointed at the step which the employee had formerly attained in the higher class unless such step results in a decrease in which case the employee is appointed to the next higher step. If however, the employee is being appointed into a class allocated to a higher salary range than the class from which the employee was laid off, the salary will be calculated from the highest step the employee achieved prior to layoff, or from the employee's current step, whichever is higher.

**5.10. Salary on Involuntary Demotion.** Any employee who is demoted, except as provided under Section 5.11, shall have his/her salary reduced to the monthly salary step in the range for the class of position to which he/she has been demoted next lower than the salary received before demotion. In the event this decrease is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is five percent (5%) less than the next lower step; provided, however, that the next step shall not be less than the minimum salary for the lower class.

Whenever the demotion is the result of layoff, cancellation of positions or displacement by another employee with greater seniority rights, the salary of the demoted employee shall be that step on the salary range which he/she would have achieved had he/she been continuously in the position to which he/she has been demoted, all within-range increments having been granted.

**5.11. Salary on Voluntary Demotion.** Whenever any employee voluntarily demotes to a position in a class having a salary range lower than that of the class from which he or she demotes, his or her salary shall remain the same if the steps in his or her new (demoted) salary range permit, and if not, the new salary shall be set at the step next below former salary.

**5.12. Pay for Work in Higher Classification.** When an employee in a regular position is required to work in a classification for which the compensation is greater than that to which the employee is regularly assigned, the employee shall receive compensation for such work at the rate of pay established for the higher classification pursuant to Section 5.9 — Salary on Promotion, at the start of the second full day in the assignment, under the following conditions. Payment shall be made retroactive after completing the first forty (40) consecutive hours worked in the higher classification.

- a. The employee is assigned to a program, service, or activity established by the Board of g Directors which is reflected in an authorized position which has been classified and assigned to the Salary Schedule.
- b. The nature of the District assignment is such that the employee in the lower classification performs a majority of the duties and responsibilities of the position of the higher classification.
- c. Employee selected for the assignment will normally be expected to meet the minimum qualifications for the higher classification.

- d. The County District shall make reasonable efforts to offer out of class assignments to all interested employees on a voluntary basis. Pay for work in a higher classification shall not be utilized as a substitute for regular promotional procedures provided in this MOU.
- e. Any incentives (e.g., the education incentive) and special differentials (e.g., bilingual differential) accruing to the employee in his/her regular position shall continue.
- f. During the period of work for higher pay in a higher classification, an employee will retain his/her regular classification, and anniversary and salary review dates will be determined by time in that classification; except that if the period of work for higher pay in a higher classification exceeds one year continuous employment, the employee, upon satisfactory performance in the higher classification, shall be eligible for a salary review in that class on his/her next anniversary date. Notwithstanding any other salary regulations, the salary step placement of employees appointed to the higher class immediately following termination of the assignment shall remain unchanged.
- g. Allowable overtime pay and shift differential will be paid on the basis of the rate of pay for the higher class.

**5.13. Deferred Compensation Plan — Special Benefit for Hires after January 1, 2010.**

Commencing April 1, 2010 and for the duration of this Agreement, the District will contribute one hundred fifty dollars (\$150) per month to an employee's Deferred Compensation Account or other designated tax qualified savings vehicle, for employees who meet all of the following qualifications:

- 1. The employee was first hired by the District on or after January 1, 2010 and,
- 2. The employee is a regular full-time or regular part-time employee regularly scheduled to work at least twenty (20) hours per week and has been so employed for at least ninety (90) calendar days; and,
- 3. The employee defers a minimum of twenty-five dollars (\$25) per month to the Deferred Compensation Plan or other designated tax qualified savings vehicle; and,
- 4. The employee has completed, signed, and submitted to the District, the required enrollment form for the account, e.g., the Enrollment Form 457(b).
- 5. The annual maximum contribution as defined under the relevant Internal Revenue Code provision has not been exceeded for the employee's account for the calendar year.

Employees who discontinue deferral or who defer less than the amount required by this provision for a period of one (1) month or more will no longer be eligible to receive the District contribution. To reestablish eligibility, employees must resume deferring the amount required by this provision.

No amount deferred by the employee or contributed by the District in accordance with this provision will count towards the "Base Contribution Amount" or the "Monthly Base Contribution Amount for Maintaining Program Eligibility" required for the Deferred Compensation Incentive in any other provision in this Agreement. No amount deferred by the employee or contributed by the District in accordance with any other provision in this Agreement will count toward the minimum required deferral required by this provision. The District's contribution amount in accordance with this provision will be in addition to the District contribution amount for which the employee may be eligible in accordance with any other provision in this contract.

Both the employee deferral and the District contribution to the Deferred Compensation Plan under this provision, as well as any amounts deferred or contributed to the Deferred Compensation Plan in accordance with any other provision of this contract, will be added together for the purpose of ensuring that the annual Plan maximum contributions as defined under IRS Code Section 457(b), or other tax qualified designated savings vehicle, are not exceeded.

**5.14. Payment.** On the fifteenth (15th) day and last day of each month, the District will issue a direct deposit in favor of each employee for the amount of salary due the employee for the preceding pay period.

The District will pay the employee with a paper paycheck upon request. Employees' paper paychecks will be delivered to the District's Administrative Offices on payday, subject to timely mail delivery by the District's payroll provider. If a particular payday falls on a weekend or holiday, paper paychecks will be available on the next regular business day.

Employee direct deposit notices shall be delivered to a work place designated by the District by noon on the 15th and 31st of each month. Should the 15th or 31st fall on Saturday, or Sunday, or a holiday, direct deposit notices will be delivered by noon on the preceding District workday.

**5.15. Pay Check Errors.** If an employee receives a pay check which has an error in the amount of compensation to be received, a new check will be issued within forty-eight (48) hours, exclusive of Saturdays, Sundays and holidays from the time the Department is made aware of and verifies that the pay check amount is in error.

Pay errors found in employee pay shall be corrected as soon as possible as to current pay rate but that no recovery of either overpayments or underpayments to an employee shall be made retroactively except for the two (2) year period immediately preceding discovery of the pay error. This provision shall apply regardless of whether the error was made by the employee, the appointing authority or designee, or the Auditor-Controller or designee.

Recovery of fraudulently accrued over or underpayments are excluded from this section for both parties.

When the District notifies an employee of an overpayment and proposed repayment schedule and the employee wishes to meet with the District, a meeting will be held at which time a repayment schedule shall be determined. If requested by the employee, a Union representative may be present at a meeting with management to discuss a repayment schedule in the case of overpayments to the employee.

**5.16. Compensation Complaints.** All complaints involving or concerning the payment of compensation shall be filed in writing with the District. Only complaints which allege that employees are not being compensated in accordance with the provisions of this MOU shall be

considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process, if not detailed in the MOU which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next opened for such discussion. No adjustment shall be retroactive for more than two (2) years from the date upon which the complaint was filed.

## **SECTION 6 — DAYS AND HOURS OF WORK**

### **6.1. Definitions.**

- A. **Regular Work Schedule.** A regular work schedule is eight (8) hours per day, Monday through Friday, inclusive, for a total of forty (40) hours per week.
- B. **Alternate Work Schedule.** An alternate work schedule is any work schedule where an employee is regularly scheduled to work five (5) days per week, but the employee's regularly scheduled two (2) days off are NOT Saturday and Sunday.

## **SECTION 7 — OVERTIME AND COMPENSATORY TIME**

**7.1. Overtime.** Overtime is any authorized work performed in excess of forty (40) hours per week or eight (8) hours per day. All overtime shall be compensated for at the rate of one and one-half (1-½) times the employee's base rate of pay (not including shift and other special differentials).

Overtime for regular employees is earned and credited in a minimum of one-half hour increments and is compensated by either pay or compensatory time off.

**7.2. Compensatory Time.** The following provisions shall apply:

- A. Employees may periodically elect to accrue compensatory time off in lieu of overtime pay. Eligible employees must notify the District of their intention to accrue compensatory time off or to receive overtime pay.
- B. Compensatory time off shall be accrued at the rate of one and one-half (1-½) times the actual authorized overtime hours worked by the employee.
- C. Employees may not accrue a compensatory time off balance that exceeds one hundred twenty (120) hours (i.e., eighty (80) hours at time and one-half). Once the maximum balance has been attained, authorized overtime hours will be paid at the overtime rate. If the employee's balance falls below one hundred twenty (120) hours, the employee shall again accrue compensatory time off for authorized overtime hours worked until the employee's balance again reaches one hundred twenty (120) hours.
- D. Accrued compensatory time off shall be carried over for use in the next fiscal year; however, as provided in c. above, accrued compensatory time off balances may not exceed one hundred twenty (120) hours.
- E. Employees may not use more than one hundred twenty (120) hours of compensatory time off in any fiscal year period (July 1 - June 30).

**7.3. Fair Labor Standards Act Provisions.** The Fair Labor Standards Act, as amended, may govern certain terms and conditions of the employment of employees covered by this MOU. It is anticipated that compliance with the Act may require changes in some of the District policies and practices currently in effect or agreed upon. If it is determined by the District that certain working conditions, including but not limited to work schedules, hours of work, method of computing overtime, overtime pay, and compensatory time off entitlements or use, must be changed to conform with the Fair Labor Standards Act, such terms and conditions of employment shall not be controlled by this MOU but shall be subject to modification by the District to conform to the Federal Law without further meeting and conferring. The District shall notify the Union and will meet and confer with said organization regarding the implementation of such modifications.

## **SECTION 8 — CALL BACK TIME/ ON-CALL DUTY**

Any employee who is called back to duty shall be paid at the appropriate rate for the actual time worked plus one (1) hour. Such employee called back shall be paid a minimum of two (2) hours at the appropriate rate for each call back.

## **SECTION 9 — SENIORITY, WORKFORCE REDUCTION, LAYOFF, & REASSIGNMENT**

### **9.1. Workforce Reduction.**

In the event that funding reductions or shortfalls in funding occur or are expected, which may result in layoffs, the District will notify the union and take the following actions:

- A. Identify the classification(s) in which position reductions may be required due to funding reductions or shortfalls.
- B. Advise employees in those classifications that position reductions may occur in their classifications.
- C. Accept voluntary leaves of absence from employees in those classifications which do not appear to be potentially impacted by possible position reductions when such leaves can be accommodated by the District.
- D. Consider employee requests to reduce their position hours from full time to part time to alleviate the impact of the potential layoffs.
- E. Approve requests for reduction in hours and voluntary demotions to vacant, funded positions in classes not scheduled for layoffs within the District.

### **9.2. Separation Through Layoff.**

- A. Grounds for Layoff. Any employee(s) having regular status may be laid off when the position is no longer necessary, or for reasons of economy, lack of work, lack of funds or for such other reason(s) as the Board of Directors deems sufficient for abolishing the position(s).
- B. Order of Layoff. The order of layoff shall be based on inverse seniority in the class of positions, the employee with least seniority being laid off first and so on.

C. Layoff By Displacement.

1. In the Same Class. A laid off regular full time employee may displace an employee having less seniority in the same class who occupies a regular part-time position, the least senior employee being displaced first.
2. In the Same Level or Lower Class. A laid off or displaced employee who had achieved regular status in a class at the same or lower salary level as determined by the salary schedule in effect at the time of layoff may displace in the class of an employee having less seniority; the least senior employee being displaced first, and so on with senior displaced employees displacing junior employees.

D. Particular Rules on Displacing.

1. Regular part-time employees may displace only employees holding regular positions of the same type respectively.
2. A regular full time employee may displace any part-time employee with less seniority 1) in the same class or, 2) in a class of the same or lower salary level if no full time employee in a class at the same or lower salary level has less seniority than the displacing employees.
3. Former regular full time employees who have voluntarily become regular part-time employees for the purpose of reducing the impact of a proposed layoff with the written approval of the Fire Chief or designee retain their regular full time employee seniority rights for layoff purposes only and may in a later layoff displace a full time employee with less seniority as provided in these rules.

E. Seniority. An employee's seniority within a class for layoff and displacement purposes shall be determined by adding the employee's length of service in the particular class in question to the employee's length of service in other classes at the same or higher salary levels as determined by the salary schedule in effect at the time of layoff.

Service for layoff and displacement purposes includes only the employee's last continuous regular District employment. Periods of separation may not be bridged to extend such service unless the separation is a result of layoff in which case bridging will be authorized if the employee is reemployed in a regular position within the period of layoff eligibility.

Approved leaves of absence as provided for in these rules and regulations shall not constitute a period of separation. In the event of ties in seniority rights in the particular class in question, such ties shall be broken by length of last continuous regular District employment. If there remain ties in seniority rights, such ties shall be broken by counting total time in the District in regular employment. Any remaining ties shall be broken by random selection among the employees involved.

- F. Eligibility for Layoff List. Whenever any person who has regular status is laid off, has been displaced, has been demoted by displacement or has voluntarily demoted in lieu of layoff or displacement, or has transferred in lieu of layoff or displacement, the person's name shall be placed on the layoff list for the class of positions from which that person has been removed.
- G. Order of Names on Layoff. First, layoff lists shall contain the names of persons laid off, displaced, or demoted as a result of a layoff or displacement, or who have voluntarily demoted or who voluntarily reduced their work hours in lieu of layoff or displacement. Names shall be listed in order of layoff seniority in the class from which laid off, displaced or demoted or who voluntarily reduced their work hours on the date of layoff, the most senior person listed first. In case of ties in seniority, the seniority rules shall apply.
- H. Duration of Layoff & Reemployment Rights. The name of any person granted reemployment privileges shall continue on the layoff list for a period of two (2) years. Persons placed on layoff lists shall continue on the appropriate list for a period of four (4) years.
- I. Persons Employed From Layoff Lists. The appointing authority shall appoint the eligible highest on the layoff list. A person employed from a layoff list shall be appointed at the same step of that salary range the employee held on the day of layoff.
- J. Removal of Names From Reemployment & Layoff Lists. The District may remove the name of any eligible from a reemployment or layoff list for any reason listed below:
1. On evidence that the eligible cannot be located by postal authorities.
  2. On receipt of a statement from the appointing authority or eligible that the eligible declines certification or indicates no further desire for appointment in the class.
  3. If an offer of regular appointment to the class for which the eligible list was established have been declined by the eligible.
  4. If the eligible fails to respond to the District within ten (10) days to written notice of certification mailed to the person's last known address.

If the person on the reemployment or layoff list is appointed to another position in the same or lower classification, the name of the person shall be removed. However, if the first regular appointment of a person on a layoff list is to a lower class which has a top step salary lower than the top step of the class from which the person was laid off, the name of the person shall not be removed from the layoff list. Any subsequent appointment of such person from the layoff list shall result in removal of that person's name.

- K. Removal of Names from Reemployment List. The District may remove the name of any eligible from a reemployment list if the eligible fails to respond within ten (10) days to a written notice of certification mailed to the person's last known address.

9.3. **Notice.** The District will give employees scheduled for layoff at least ten (10) work days' notice prior to their last day of employment.

**10.3. Holiday is WORKED and Holiday Falls on Regularly Scheduled Work Day.** When a full time employee works on a holiday that falls on the employee's regularly scheduled work day, the employee is entitled to receive his/her regular salary. The employee is also entitled to receive holiday pay at the rate of one and one half (1.5) times his/her base rate of pay (not including differentials) or holiday compensation time at the same rate, for all hours worked up to a maximum of eight (8) hours. The employee is also entitled to receive overtime pay or overtime compensation time at the rate of one and one half (1.5) times his/her base rate of pay (not including differentials) for all hours worked on the holiday beyond eight hours, but only if the employee was required to work on the holiday due to an emergency, except as provided in Section 7.1 above.

**10.4. Automated Time Keeping — Re-opener.** This agreement may be re-opened at the request of either party for the purpose of meeting and conferring regarding the establishment of an automated time keeping system.

## **SECTION 11 — VACATION LEAVE**

**11.1. Vacation Allowance.** Employees in part-time or full-time positions are entitled to vacation with pay. Accrual is based upon straight time hours of working time per calendar month of service and begins on the date of appointment to a regular position. Increased accruals shall be effective on the first day of the bi-weekly pay period following the employee's anniversary date, as defined in Section 5.3. Accrual for portions of a month shall be in minimum amounts of one (1) hour calculated on the same basis as for partial month compensation pursuant to Section 5.6 of this MOU. Vacation leave may be taken in one-fourth ( $\frac{1}{4}$ ) hour (15-minute) increments, but may not be taken during the first six (6) months of employment (not necessarily synonymous with probationary status), except where sick leave has been exhausted.

### Example One:

- An employee's Anniversary Date is January 3, 1999.
- The employee reached 20 years of service on January 3, 2019.
- January 16, 2019 is the date on which the employee is eligible to begin accruing 16.666 hours of vacation time each month.

### Example Two:

- An employee's Anniversary Date is February 24, 1999.
- The employee reached 20 years of service on February 24, 2019.
- March 1, 2019 is the date on which the employee is eligible to begin accruing 16.666 hours of vacation time each month.

**11.2. Vacation Allowance for Separated Employees.** On separation from District service, an employee shall be paid for any unused vacation credits at the employee's then current pay rate.

**11.3. Vacation Accrual Rates.**

<u>Length of Service</u>	<u>Monthly Accrual Hours</u>	<u>Maximum Cumulative Hours</u>

**11.5. Accrual During Leave Without Pay.** No employee who has been granted a leave without pay or unpaid military leave shall accrue any vacation credit during the time of such leave, nor shall an employee who is absent without pay accrue vacation credit during the absence.

**11.6. Vacation Leave on Reemployment from a Layoff List.** Employees with six (6) months or more service in a regular position prior to their layoff and who are employed from a layoff list shall be considered as having completed six (6) months tenure in a regular position for the purpose of vacation leave.

**SECTION 12 — SICK LEAVE**

**12.1. Purpose of Sick Leave.** The primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury for self or the employee's family member. It is a benefit extended by the District and may be used only as authorized; it is not paid time off which employees may use for personal activities.

**12.2. Credits To and Charges Against Sick Leave.** Sick leave credits accrue at the rate of eight (8) working hours credit for each completed month of service. Employees who work a portion of a month are entitled to a pro rata share of the monthly sick leave credit computed on the same basis as is partial month compensation.

Credits to and charges against sick leave are made in minimum amounts of one-tenth hour (6 minute) increments.

Unused sick leave credits accumulate from year to year. When an employee is separated other than through retirement, accumulated sick leave credits shall be canceled, unless the separation results from layoff, in which case the accumulated credits shall be restored if reemployed in a regular position within the period of lay off eligibility. As of the date of retirement, an employee's accumulated sick leave is converted to retirement on the basis of one day of retirement service credit for each day of accumulated sick leave credit.

**12.3. Policies Governing the Use of Paid Sick Leave.** As indicated above, the primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. The following definitions apply:

Immediate Family: Includes only the spouse, son, stepson, daughter, stepdaughter, father, stepfather, mother, stepmother, grandparent, grandchild, father-in-law, mother-in-law, daughter-in-law, son-in-law, foster children, or registered domestic partner of an employee. This definition includes any other person for whom the employee is the legal guardian or conservator, or any person who is claimed as a “dependent” for IRS reporting purposes by the employee.

Condition/Reason: With respect to necessary verbal contacts and confirmations which occur between the District and the employee when sick leave is requested or verified, a brief statement in non-technical terms from the employee regarding inability to work due to injury or illness is sufficient.

Accumulated paid sick leave may be used, subject to appointing authority approval, by an employee in pay status, but only in the following instances:

- A. Temporary Illness, Injury, or Serious Health Condition. Paid sick leave may be used when the employee is off work because of a temporary illness, injury, or serious health condition for self or an immediate family member; for preventive care or diagnosis; care or treatment of an existing health condition; or for specified purposes if the employee is a victim of domestic violence, sexual assault or stalking.
  
- B. Permanent Disability Sick Leave. Permanent disability means the employee suffers from a disabling physical injury or illness and is thereby prevented from engaging in any District occupation for which the employee is qualified by reason of education, training or experience. Sick leave may be used by permanently disabled employees until all accruals of the employee have been exhausted or until the employee is retired by the Retirement Board, subject to the following conditions:
  - 1. An application for retirement due to disability has been filed with the Retirement Board.
  - 2. Satisfactory medical evidence of such disability is received by the appointing authority within thirty (30) days of the start of use of sick leave for permanent disability.
  - 3. The appointing authority may review medical evidence and order further examination as deemed necessary, and may terminate use of sick leave when such further examination demonstrates that the employee is not disabled, or when the appointing authority determines that the medical evidence submitted by the employee is insufficient, or where the above conditions have not been met.
  
- C. Communicable Disease. An employee may use paid sick leave when under a physician’s order to remain secluded due to exposure to a communicable disease.

- D. Sick Leave Utilization for Pregnancy Disability. Eligible employees whose disability is caused or contributed to by pregnancy, miscarriage, abortion, childbirth, or recovery therefrom, shall be allowed to utilize paid sick leave to the maximum accrued by such employee during the period of such disability to supplement/offset unpaid leave time for Pregnancy Disability Leave (PDL), Family & Medical Leave (FMLA), or other pregnancy-related leaves as required by state and/or federal law. The substitution of paid sick leave for Pregnancy-Related Disability Leave does not extend the total duration of leave to which an employee is entitled.

The District will provide break time to accommodate an employee desiring to express breast milk for their infant child. The employee is not required to use paid sick leave for this purpose. If possible, the break time will run concurrently with any break time already provided to the employee. Break time for an employee that does not run concurrently with the rest time authorized for the employee need not be paid. The District will provide the employee with the use of a room or other location, other than a bathroom, in close proximity to the employee's work area, for the employee to express milk in private.

- E. Medical and Dental Appointments. An employee may use paid sick leave:
1. For working time used in keeping medical and dental appointments for the employee's own care; and
  2. For working time used by an employee for pre-scheduled medical and dental appointments for an immediate family member.
- F. Emergency Care of Family. An employee may use paid sick leave for working time used in cases of illness or injury to an immediate family member.
- G. Legal Adoption of a Child. Paid sick leave may be used by an employee, up to the maximum accrued by such employee, to supplement/offset unpaid leave time under FMLA for the adoption or foster placement of a child.
- H. Accumulated paid sick leave may not be used in the following situations:
1. Vacation. Paid sick leave may not be used for an employee's illness or injury which occurs while he or she is on vacation, but the District may authorize it when extenuating circumstances exist and the appointing authority approves.
  2. Not in Pay Status. Paid sick leave may not be used when the employee would otherwise be eligible to use paid sick leave, but is not in pay status.

**12.4. Administration of Sick Leave**. The proper administration of sick leave is a responsibility of the employee and the District. The following procedures apply:

- A. Employee Responsibilities
1. Employees are responsible for notifying the District of an absence prior to the commencement of their work shift or as soon thereafter as possible. Notification shall include the reason and possible duration of the absence.

2. Employees are responsible for keeping the District informed on a continuing basis of their condition and probable date of return to work.
3. Employees are responsible for obtaining advance approval from the District for the scheduled time of pre-arranged personal or family medical and dental appointments.
4. Employees are encouraged to keep the District advised of (1) a current telephone number to which sick leave related inquiries may be directed, and (2) any condition(s) and/or restriction(s) that may reasonably be imposed regarding specific locations and/or persons the District may contact to verify the employee's sick leave.

B. District Responsibilities. The use of sick leave may properly be denied if these procedures are not followed. Abuse of sick leave on the part of the employee is cause for disciplinary action.

1. District approval of sick leave is a certification of the legitimacy of the sick leave claim. The District may require medical verification for an absence of three (3) or more consecutive working days. The District may also require medical verification for absences of less than three (3) consecutive working days for probable cause if the employee had been notified in advance in writing that such verification was necessary. Inquiries may be made in the following ways:
  - a. Calling the employee's residence telephone number or other contact telephone number provided by the employee if telephone notification was not made in accordance with departmental sick leave call-in guidelines. These inquiries shall be subject to any restrictions imposed by the employee under Section 12(A)(4).
  - b. Obtaining the employee's signature on the Absence/Overtime Record or on another form established for that purpose, as employee certification of the legitimacy of the claim.
  - c. Obtaining the employee's written statement of explanation regarding the sick leave claim.
  - d. Requiring the employee to obtain a physician's certificate or verification of the employee's illness, date(s) the employee was incapacitated, and the employee's ability to return to work, as specified above.
  - e. In absences of an extended nature, requiring the employee to obtain from their physician a statement of progress and anticipated date on which the employee will be able to return to work, as specified above.

The District is responsible for establishing timekeeping procedures which will insure the submission of a time card covering each employee absence.

## 12.5. Disability.

- A. An employee physically or mentally incapacitated for the performance of duty is subject to dismissal, suspension or demotion, subject to the County Employees Retirement Law of 1937. An appointing authority after giving notice may place an employee on leave if the appointing authority has filed an application for disability retirement for the employee, or whom the appointing authority believes to be temporarily or permanently physically or mentally incapacitated from the performance of the employee's duties.
- B. An appointing authority who has reasonable cause to believe that there are physical or mental health conditions present in an employee which endanger the health or safety of the employee, other employees, or the public, or which impair the employee's performance of duty, may order the employee to undergo at District expense and on the employee's paid time, a physical, medical examination by a licensed physician and/or psychiatric examination by a licensed physician or psychologist, and receive a report of the findings on such examination. If the examining physician or psychologist recommends that treatment for physical or mental health problems, including leave, are in the best interests of the employee or the District in relation to the employee overcoming any disability and/or performing his or her duties the appointing authority may direct the employee to take such leave and/or undergo such treatment.
- C. Leave due to temporary or permanent disability shall be without prejudice to the employee's right to use sick leave, vacation, or any other benefit to which the employee is entitled other than regular salary. The District may order lost pay restored for good cause and subject to the employee's duty to mitigate damages.
- D. Before an employee returns to work from any absence for illness or injury, other leave of absence or disability leave, exceeding two (2) weeks in duration, the appointing authority may order the employee to undergo at District expense a physical, medical, and/or psychiatric examination by a licensed physician, and may consider a report of the findings on such examination. If the report shows that such employee is physically or mentally incapacitated for the performance of duty, the appointing authority may take such action as he deems necessary in accordance with appropriate provisions of this MOU.
- E. Before an employee is placed on an unpaid leave of absence or suspended because of physical or mental incapacity under (A) or (B) above, the employee shall be given notice of the proposed leave of absence or suspension by letter or memorandum, delivered personally or by certified mail, containing the following:
  - 1. a statement of the leave of absence or suspension proposed;
  - 2. the proposed dates or duration of the leave or suspension which may be indeterminate until a certain physical or mental health condition has been attained by the employee;
  - 3. a statement of the basis upon which the action is being taken

4. a statement that the employee may review the materials upon which the action is taken;
  5. a statement that the employee has until a specified date (not less than seven (7) work days from personal delivery or mailing of the notice) to respond to the appointing authority orally or in writing.
- F. Pending response to the notice the appointing authority for cause specified in writing may place the employee on a temporary leave of absence, with pay.
  - G. The employee to whom the notice has been delivered or mailed shall have seven (7) work days to respond to the appointing authority either orally or in writing before the proposed action may be taken.
  - H. After having complied with the notice requirements above, the appointing authority may order the leave of absence or suspension in writing stating specifically the basis upon which the action is being taken, delivering the order to the employee either personally or by certified mail, effective either upon personal delivery or deposit in the U.S. Postal Service.
  - I. An employee who is placed on leave or suspended under this section may, within ten (10) calendar days after personal delivery or mailing to the employee of the order, appeal the order in writing through the District to Board of Directors. Alternatively, the employee may file a written election with the District waiving the employee's right to appeal to the Board in favor of appeal to a Disability Review Arbitrator.
  - J. In the event of an appeal either to the Board or the Disability Review Arbitrator, the employee has the burden of proof to show that either:
    1. The physical or mental health condition cited by the appointing authority does not exist, or
    2. The physical or mental health condition does exist, but it is not sufficient to prevent, preclude, or impair the employee's performance of duty, or is not sufficient to endanger the health or safety of the employee, other employees, or the public.
  - K. If the appeal is to the Board, the order and appeal shall be transmitted by the District to the Board for hearing Medical reports submitted in evidence in such hearings shall remain confidential information and shall not be a part of the public record.
  - L. If the appeal is to a Disability Review Arbitrator, the employee (and his representative) will meet with the District's representative to mutually select the Disability Review Arbitrator, who may be a de facto arbitrator, or a physician, or a rehabilitation specialist, or some other recognized specialist mutually selected by the parties. The arbitrator shall hear and review the evidence. The decision of the Disability Review Arbitrator shall be binding on both the District and the employee.

Scope of the Arbitrator's Review.

1. The arbitrator may affirm, modify or revoke the leave of absence or suspension.
  2. The arbitrator may make his decision based only on evidence submitted by the District and the employee.
  3. The arbitrator may order back pay or paid sick leave credits for any period of leave of absence or suspension if the leave or suspension is found not to be sustainable, subject to the employee's duty to mitigate damages.
  4. The arbitrator's fees and expenses shall be paid one-half by the District and one-half by the employee or employee's association.
- M. It is understood that the benefits specified in Section 12 — Sick Leave and Section 14 — Workers' Compensation, shall be coordinated with the rehabilitation program as determined by the labor-management committee.

**12.6. Accrual During Leave Without Pay.** No employee who has been granted a leave without pay or an unpaid military leave shall accrue any sick leave credits during the time of such leave nor shall an employee who is absent without pay accrue sick leave credits during the absence.

**12.7. Integration of State Disability Benefits with the District Sick Leave Benefit Program.** Employees eligible for State Disability benefits and sick leave benefits for any portion of disability shall be required to make application for both benefits. The State Disability benefits shall be returned to the District to be credited to the employee's sick leave balance on the following basis:

- A. Integration with State Disability is automatic and cannot be waived.
- B. The amount credited to the employee's sick leave balance shall be converted to sick leave hours by dividing the amount received from State Disability Insurance by the employee's straight time hourly rate, at the time of payment, as determined by the appropriate salary schedule for the employee's class of employment.
- C. If the employee is eligible for State Disability Insurance benefits, application must be made and the benefits returned to the District for sick leave credits so that the principle of integration is completed.
- D. In the event an employee is not eligible for sick leave credits from the District, there will be no integration and the employee shall not return State Disability Insurance benefits to the District.
- E. In the event an employee receives sick leave benefits for a portion of the disability period, State Disability benefits must be utilized to restore only those sick leave hours used during the period of disability.
- F. Restoration of sick leave balances shall be rounded to the nearest one-half ( $1/2$ ) hour.
- G. In no instance will an employee be allowed to purchase sick leave not accrued.

- H. The County District will provide separate accounting for the purchase sick leave to insure that State Disability Insurance benefits are not taxable.

**12.8. Confidentiality of Information/Records.** Any use of employee medical records will be governed by the Confidentiality of Medical Information Act (Civil Code Sections 56 to 56.26).

### **SECTION 13 — STATE DISABILITY INSURANCE (SDI)**

Employees eligible for SDI benefits will be required to make application for SDI benefits and to have those benefits integrated with the use of their sick leave accruals.

**13.1. Procedures.** Employees with more than 1.2 hours of sick leave accruals at the beginning of the disability integration period must integrate their sick leave accrual usage with their SDI benefit to the maximum extent possible.

When employees have 1.2 hours or less of sick leave accruals at the beginning of the disability integration period, the District shall automatically use 0.1 hour of sick leave per month for the duration of their SDI benefit.

When sick leave accruals are totally exhausted, integration with the SDI benefit terminates. An employee may use any other accruals without reference to or integration with the SDI benefit.

When the SDI benefit is exhausted, sick leave integration terminates. Then the employee may use sick leave or other accruals.

Employees with no sick leave balance at the beginning of the disability integration period may use any other accruals without reference to or integration with the SDI benefit.

Employees whose SDI claims are denied must present a copy of their claim denial to their District. The District will then authorize use of unused sick leave and shall authorize the use of other accruals as appropriate.

Employees may contact the District, for assistance in resolving problems.

**13.2. Method of Integration.** Until an employee has a balance of 1.2 hours of sick leave, the employee's sick leave accrual charges while receiving SDI benefits shall be calculated each month.

The amount of sick leave charged each employee will be calculated in the following manner:

The percentage of base monthly salary not covered by the SDI benefit will be applied to the daily hours in the employee's schedule and that number of sick leave hours will be charged against the employee's sick leave accruals.

For purposes of integration with the SDI program, all full time employees' schedules will be converted to 8-hour/5-day weekly work schedules during the period of integration.

The formula for full time employees' sick leave integration charges is shown below:

- L =  $[(S-D)/ S] \times 8$
- S = Employee Base Monthly Salary
- H = Estimated Highest Quarter (3-mos) Earnings [H S x 3]
- W = Weekly SDI Benefit from State of California SDI Weekly Benefit Table
- C = Calendar Days in each Month
- D = Estimated Monthly SDI Benefit [D = (W) 7] x C]
- L = Sick Leave Charged per Day

Regular part-time, and those full time employees working a light/limited duty reduced schedule program shall have their sick leave integration adjusted accordingly.

**13.3. Definition.** "Base Monthly Salary" for purposes of sick leave integration is defined as the salary amount for the employee's step on the salary schedule for the employee's regular classification as shown in the "Salary" field on the On-Line Payroll Time Reporting System used by the District for payroll reporting purposes.

## **SECTION 14 — WORKERS' COMPENSATION**

A regular non-safety employee shall receive 75% of regular monthly salary during any period of compensable temporary disability not to exceed one year. If Workers' Compensation becomes taxable, the District agrees to restore the original benefit level (100% of monthly salary) and the parties shall meet and confer with respect to funding the increased cost.

- A. Waiting Period. There is a three (3) calendar day waiting period before Workers' Compensation benefits commence. If the injured worker loses any time on the day of injury, that day counts as day one (1) of the waiting period. If the injured worker does not lose time on the date of injury, the waiting period will be the first three (3) calendar days the employee does not work as a result of the injury. The time the employee is scheduled to work during this waiting period will be charged to the employee's sick leave and/or vacation accruals. In order to qualify for Workers' Compensation the employee must be under the care of a physician. Temporary compensation is payable on the first three (3) days of disability when the injury necessitates hospitalization, or when the disability exceeds fourteen (14) days.
- B. Continuing Pay. Regular employees shall continue to receive the appropriate percent as outlined above of their regular monthly salary during any period of compensable temporary disability not to exceed one year. Payment of continuing pay and/or temporary disability compensation is made in accordance with Part 2, Article 3 of the Workers' Compensation Laws of California. "Compensable temporary disability absence" for the purpose of this Section, is any absence due to work connected disability which qualifies for temporary disability compensation as set forth in Part 2, Article 3 of the Workers' Compensation Laws of California.

When any disability becomes medically permanent and stationary and/or reaches maximum medical improvement, the salary provided in this Section shall terminate. No charge shall be made against sick leave or vacation for these salary payments. Sick leave and vacation rights shall not accrue for those periods during which continuing pay is received.

Employees shall be entitled to a maximum of one (1) year of continuing pay benefits for any one injury or illness.

- C. Continuing pay begins at the same time that temporary Workers' Compensation benefits commence and continues until either the member is declared medically permanent/stationary and/or reaches maximum medical improvement, or until one (1) year of continuing pay, whichever comes first provided the employee remains in an active employed status. Continuing pay is automatically terminated on the date an employee is separated from District service by resignation, retirement, layoff, or the employee is no longer employed by the District. In these instances, employees will be paid Workers' Compensation benefits as prescribed by Workers' Compensation laws. All continuing pay will be cleared through the District.

Whenever an employee who has been injured on the job and has returned to work is required by an attending physician to leave work for treatment during working hours the employee shall be allowed time off up to three (3) hours for such treatment without loss of pay or benefits provided the employee notifies his/her supervisor of the appointment at least three (3) working days prior to the appointment or as soon as the employee becomes aware the appointment has been made. Said visits are to be scheduled contiguous to either the beginning or end of the scheduled work day whenever possible. This provision applies only to injuries/illnesses that have been accepted by the District as work related.

- D. Full Pay Beyond One Year. If an injured employee remains eligible for temporary disability beyond one year, the employee's applicable salary will continue by integrating sick leave and/or vacation accruals with Workers' Compensation benefits. If salary integration is no longer available, Workers' Compensation benefits will be paid directly to the employee as prescribed by Workers' Compensation laws.
- E. Rehabilitation Integration. An injured employee who is eligible for Workers' Compensation Rehabilitation Temporary Disability benefits and whose disability is medically permanent and stationary and/or reaches maximum medical improvement, will continue to receive his/her applicable salary by integrating sick leave and/or vacation accruals with Workers' Compensation Rehabilitation Temporary Disability benefits until those accruals are exhausted. Thereafter, the Rehabilitation Temporary Disability benefits will be paid directly to the employee.
- F. Health Insurance. The District contribution to the employee's group insurance plan(s) continues during the continuing pay period and during integration of sick leave or vacation with Workers' Compensation benefits.
- G. Method of Integration. An employee's sick leave and/or vacation charges shall be calculated as follows:

$$C = 8 [1 - (W \div S)]$$

C = Sick leave or vacation charge per day (in hours)  
W = Statutory Workers' Compensation for a month  
S = Monthly salary

## SECTION 15 — LEAVE OF ABSENCE

**15.1. Leave Without Pay.** Any employee who has regular status may be granted a leave of absence without pay upon written request, approved by the appointing authority; provided, however, that leaves for pregnancy, pregnancy disability, serious health conditions, and family care shall be granted in accordance with applicable state and federal law.

**15.2. General Administration - Leave of Absence.** Requests for leave without pay shall state specifically the reason for the request, the date when it is desired to begin the leave, and the probable date of return.

- A. Leave without pay may be granted for any of the following reasons:
  - 1. Illness or disability;
  - 2. pregnancy; or any other pregnancy-related condition
  - 3. parental;
  - 4. to take a course of study such as will increase the employee's usefulness on return to the position.
  - 5. for other reasons or circumstances acceptable to the appointing authority.
- B. An employee must request family care leave at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable. If the need is not foreseeable, the employee must provide written notice to the District within five (5) days of learning of the event by which the need for family care leave arises.
- C. A leave without pay may be for a period not to exceed one (1) year, provided the appointing authority may extend such leave for additional periods. The procedure in granting extensions shall be the same as that in granting the original leave, provided that the request for extension must be made not later than thirty (30) calendar days before the expiration of the original leave.
- D. A leave of absence for the employee's serious health condition or for family care (FMLA) shall be granted to a regular employee who has worked at least 1,250 hours in the preceding 12-month period who so requests it for up to twelve (12) weeks during a "rolling" twelve (12) month period, measured backward from the date the employee uses his/her FMLA leave in accordance with Section 15.6 below.
- E. Whenever an employee who has been granted a leave without any pay desires to return before the expiration of such leave, the employee shall submit a request to the appointing authority in writing at least fifteen (15) days in advance of the proposed return. Early return is subject to prior approval by the appointing authority. The District shall be notified promptly of such return.

- F. Except in the case of leave of absence due to family care, pregnancy, pregnancy disability, illness, disability, or serious health condition, the decision of the appointing authority on granting or denying leave or early return from leave shall be subject to appeal to the District and not subject to appeal through the grievance procedure set forth in this MOU.

**15.3. Furlough Days Without Pay.** Subject to the prior written approval of the appointing authority, employees may elect to take furlough days or hours without pay (pre-authorized absence without pay), up to a maximum of fifteen (15) calendar days for any one period. Longer pre-authorized absences without pay are considered leaves of absence without pay. Employees who take furlough time shall have their compensation for the portion of the month worked computed in accord with Section 5.6 (Compensation for Portion of Month) of this MOU. Full time and part-time employees who take furlough time shall have their vacation, sick leave, floating holiday, and any other payroll computed accruals computed as though they had worked the furlough time. When computing vacation, sick leave, floating holiday, and other accrual credits for employees taking furlough time, this provision shall supersede Section 11.1, 12.1, 12.3, and 12.2 of this MOU regarding the computation of vacation, sick leave, floating holiday, and other accrual credits as regards furlough time only. For payroll purposes, furlough time (absence without pay with prior authorization of the appointing authority) shall be reported separately from other absences without pay to the District.

**15.4. Military Leave.** Any employee who is ordered to serve as a member of the State Militia or the United States Army, Navy, Air Force, Marine Corps, Coast Guard or any division thereof shall be granted a military leave in accordance with State and Federal statutes. The FMLA also allows eligible employees to take up to twenty-six (26) weeks of unpaid, job-protected leave in a single 12-month period to care for a covered service member with a serious injury or illness. The District shall cover an employee's health benefits through the duration of the leave, to the same extent and under the same terms and conditions as would apply had the employee not taken leave.

**15.5. Bereavement Leave.** The District shall grant time off and shall pay an employee two (2) eight-hour days due to the death of an employee's immediate family member, spouse, or registered domestic partner. If an employee must travel more than three hundred and fifty (350) miles to attend funeral or memorial services, the District shall grant the employee one (1) additional day off (for a total of three (3) paid days off), subject to distance verification.

An employee may be authorized to use other accruals such as sick leave or vacation leave in conjunction with District-paid bereavement leave at the discretion of the appointing authority. Bereavement leave is not accruable, and does not roll over from year to year.

**15.6. Family Care Leave or Medical Leave.** Upon request to the appointing authority, in a "rolling" twelve (12) month period measured backward from the date the employee uses his/her FMLA leave, any regular employee who has worked at least 1,250 hours in the preceding 12-month period shall be entitled to at least twelve (12) weeks leave (less if so requested by the employee) for:

- A. Medical leave of absence for the employee's own serious health condition which makes the employee unable to perform the functions of the employee's position;  
or

- B. Family care leave of absence without pay for reason of the birth of a child of the employee, or for a newly placed adopted or foster child of the employee, which may be utilized equally by mothers and fathers within twelve (12) months after the birth or placement; or
- C. The serious illness or health condition of a child, parent, spouse, or registered domestic partner of the employee.
- D. The District shall grant FMLA leave in accordance with the FMLA, CFRA and the Administrative Bulletins.

**15.7. Aggregate Use for Spouses.** In the situation where husband and wife are both employed by the District, the family care of medical leave entitlement based on the birth, adoption or foster care of a child is limited to an aggregate for both employees together of twelve (12) weeks during a “rolling” twelve (12) month period measured backward from the date the employee uses his/her FMLA leave. Employees requesting family care leave are required to advise their appointing authority(ies) when their spouse is also employed by the District.

**15.8. Pregnancy Disability Leave.** Any eligible employee who is disabled by pregnancy, childbirth, or related conditions may take a Pregnancy-Related Disability Leave (PDL) for the period of actual disability of up to four (4) months, in addition to any family care or medical leave to which the employee may be entitled under state or federal law. Pregnancy-related disability leaves may be taken intermittently, or on a reduced-hours schedule, as medically necessary.

Insofar as Pregnancy-Related Disability Leave (PDL) is used under Section 12.3(D) - Sick Leave Utilization for Pregnancy Disability, that time will not be considered a part of the twelve (12) week Family Care Leave period. The employee may, at her discretion, substitute any accrued vacation time during her Pregnancy-Related Disability Leave.

**15.9. Group Health Plan Coverage.** Employees who were members of one of the group health plans prior to commencement of their leave of absence can maintain their health plan coverage with the District contribution by maintaining their employment in pay status as described in Section 12.3(D) — Sick Leave Utilization for Pregnancy Disability. During the twelve (12) weeks of an approved medical or family care leave under Section 15.6 above, the District will continue its contribution for such health plan coverage even if accruals are not available for use to maintain pay status as required under Section 15.10. In order to maintain such coverage, employees are required to pay timely the full employee contribution to maintain their group health plan coverage, either through payroll deduction or by paying the District directly.

**15.10. Leave Without Pay – Use of Accruals.**

- A. All Leaves of Absence. During the first twelve (12) month period of any leave of absence without pay, an employee may elect to maintain pay status each month by using available sick leave (if so entitled under Section 12.3 - Policies Governing the Use of Paid Sick Leave), vacation, floating holiday, compensatory time off or other accruals or entitlements; in other words, during the first twelve (12) months, a leave of absence without pay may be “broken” into segments and accruals used on a monthly basis at the employee’s discretion. After the first twelve (12) months, the leave period may not be “broken” into segments and accruals may not be used, except when required by LTD Benefit Coordination or SDI/Sick Leave Integration or as provided in the sections below.

- B. Family Care or Medical Leave (FMLA). During the twelve (12) weeks of an approved medical or family care leave, if a portion of that leave will be on a leave of absence without pay, the employee will be *required* to use at *least* 0.25 hours (15-minutes) of sick leave (if so entitled under Section 12.3 - Policies Governing the Use of Paid Sick Leave), vacation floating holiday, compensatory time off or other accruals or entitlements if such are available, although use of additional accruals is permitted under Subsection A above.
- C. Leave of Absence/Long Term Disability (LTD) Benefit Coordination. An eligible employee who files an LTD claim and concurrently takes a leave of absence without pay will be required to use accruals as provided in Section B herein during the twelve (12) weeks entitlement period of a medical leave specified above. If an eligible employee continues beyond the twelve (12) weeks entitlement period on a concurrent leave of absence/LTD claim, the employee may choose to maintain further pay status only as allowed under Subsection A herein.
- D. Sick leave accruals may not be used during any leave of absence, except as allowed under Section 12.3 - Policies Governing the Use of Paid Sick Leave.

**15.11. Leave of Absence Replacement and Reinstatement**. Any regular employee who requests reinstatement to the classification held by the employee at the time the employee was granted a leave of absence, shall be reinstated to a position in that classification, and then only on the basis of seniority. In case of severance from service by reason of the reinstatement of a regular employee, the provisions of Section 9 - Seniority, Workforce Reduction, Layoff & Reassignment shall apply.

**15.12. Reinstatement From Family Care Medical Leave**. In the case of a family care or medical leave, an employee shall be reinstated to the same position or "equivalent position" following their return from FMLA leave. An equivalent position is a position with the same or similar duties and pay which can be performed at the same or similar geographic location as the position held prior to leave. At the time the original leave is approved, the appointing authority shall notify the employee in writing of the final date to return to work, or the maximum number of hours of leave available to the employee.

**15.13. Salary Review While on Leave of Absence**. The salary of an employee who is on leave of absence from a District position on any anniversary date and who has not been absent from the position on leave without pay more than six (6) months during the preceding year, shall be reviewed on the anniversary date. Employees on military leave shall receive salary increments that may accrue to them during the period of military leave.

**15.14. Unauthorized Absence**. An unauthorized absence from the work site or failure to report for duty after a leave request has been disapproved, revoked, or canceled by the appointing authority, or at the expiration of a leave, shall be without pay. Such absence may also be grounds for disciplinary action.

**15.15. Time Off to Vote**. Employees who do not have sufficient time outside of working hours to vote at a statewide election, may, without loss of pay, take off enough working time which will enable the employee to vote.

No more than two (2) hours of the time taken off for voting shall be without loss of pay. The time off for voting shall be only at the beginning or end of the regular working shift, whichever allows the most free time for voting and the least time off from the regular working shift.

Any employee seeking time off to vote under the provisions of this Section, must submit a written request, at least two (2) working days in advance, to his or her immediate supervisor, stating the following: name, job classification, department, a statement "I am a registered voter", geographic location and address of the employee's polling place, amount of time off requested and whether it is to be at the beginning or end of the employee's regular workday, and a clear statement as to why the employee is unable to vote during the regular hours that the polls are open.

**15.16. Non-Exclusivity.** Other MOU language on this subject, not in conflict with this MOU, shall remain in effect.

## **SECTION 16 — RETIREMENT**

**16.1. Contribution.** Employees are responsible for the payment of one hundred percent (100%) of the employees' basic retirement benefit contributions determined annually by the Board of Retirement of the Contra Costa County Employees' Retirement Association without the District paying any part of the employees' contribution. Employees are also responsible for the payment of the employees' contributions to the retirement cost of living program as determined annually by the Board of Retirement, without the District paying any part of the employees' contributions.   - 1. Under 26 years of age.
  - 2. Age 26 and over, who are dependent qualifying children as defined by the Internal Revenue Service in Publication 501.
  - 3. Age 26 and over, disabled and incapable of sustaining employment due to a physical or mental disability that existed prior to the child's attainment of age 26, and who are qualifying dependent children as defined by the Internal Revenue Service in Publication 501.

**17.7. Dual Coverage.**

- A. On and after January 1, 2010, each employee and retiree may be covered only by a single health (and/or dental) plan, including a CalPERS plan. For example, a District employee may be covered under a single County health and/or dental plan as either the primary insured or the dependent of another District employee or retiree, but not as both the primary insured and the dependent of another District employee or retiree.
- B. On and after January 1, 2010, all dependents may be covered by the health and/or dental plan of only one spouse or one domestic partner. For example, when both husband and wife are District employees, all of their eligible children may be covered as dependents of either the husband or the wife, but not both.

**17.8. Life Insurance Benefit Under Health and Dental Plans.** For employees who are enrolled in medical or dental coverage as either the primary or the dependent, term life insurance in the amount of ten thousand dollars (\$10,000) will be provided by the District.

**17.9. Supplemental Life Insurance.** In addition to the life insurance benefits provided by this agreement, employees may subscribe voluntarily and at their own expense for supplemental life insurance. Employees may subscribe for an amount not to exceed five hundred thousand dollars (\$500,000), of which one hundred thousand (\$100,000) is a guaranteed issue, provided the election is made within the required enrollment periods.

**17.10. Health Care Spending Account.** After six (6) months of regular employment, full time and part time (20/40 or greater) employees may elect to participate in a Health Care Spending Account (HCSA) Program designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but such savings are not guaranteed. The HCSA Program allows employees to set aside a predetermined amount of money from their pay, not to exceed the IRS limits per calendar year, of before tax dollars, for health care expenses not reimbursed by any other health benefit plans. HCSA dollars may be expended on any eligible medical expenses allowed by Internal Revenue Code Section 125. Any unused balance is forfeited and cannot be recovered by the employee.

**17.11. PERS Long-Term Care.** The District will deduct and remit monthly premiums to the PERS Long-Term Care Administrator for employees who are eligible and voluntarily elect to purchase long-term care at their personal expense through the PERS Long-Term Care Program.

**17.12. Dependent Care Assistance Program.** The District offers the option of enrolling in a Dependent Care Assistance Program (DCAP) designed to qualify for tax savings under Section 129 of the Internal Revenue Code, but such savings are not guaranteed. The program allows employees to set aside up to five thousand dollars (\$5,000) of annual salary (before taxes) per calendar year to pay for eligible dependent care (child and elder care) expenses. Any unused balance is forfeited and cannot be recovered by the employee.

**17.13. Premium Conversion Plan.** The District offers the Premium Conversion Plan (PCP) designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but tax savings are not guaranteed. The program allows employees to use pre-tax dollars to pay health and dental premiums.

**17.14. Prevailing Section.** To the extent that any provision of this Section (Section 17 - Health, Life & Dental Care) is inconsistent with any provision of any other District enactment or policy, or any other agreement or order of the Board of Directors, the provision(s) of this Section (Section 17 - Health, Life & Dental Care) will prevail.

**17.15. Rate Information.** The District will make health and dental plan rate information available upon request to employees and departments. In addition, the District will publish and distribute to employees information about rate changes as they occur during the year.

**17.16. Partial Month.** The District's contribution to the health plan premium is payable for any month in which the employee is paid. If an employee is not paid enough compensation in a month to pay the employee share of the premium, the employee must make up the difference by remitting the amount delinquent to the District. The responsibility for this payment rests with the employee. If payment is not made, the employee shall be dropped from the health plan.

**17.17. Coverage During Absences.** Employees shall be allowed to maintain their health plan coverage at the District group rate for twelve (12) months if on approved leave of absence provided that the employee shall pay the entire premium (i.e., both employer and employee share) for the health plan during said leave. Said payment shall be made by the employee at a time and place specified by the District. Late payment shall result in cancellation of health plan coverage.

An employee on leave in excess of twelve (12) months may continue group coverage subject to the provisions of the Consolidated Omnibus Budget Reconciliation Act (COBRA) provided the employee pays the entire cost of coverage, plus any administrative fees, for the option selected. The entire cost of coverage shall be paid at a place and time specified by the District. Late payment may result in cancellation of health plan coverage with no reinstatement allowed.

## **SECTION 18 — PROBATIONARY PERIOD**

**18.1. Duration.** All appointments shall be subject to a probationary period. For original entrance appointments, the probationary period shall be twelve (12) months. For promotional appointments, the probation period shall be six (6) months.

**18.2. Criteria.** The probationary period shall date from the time of appointment to a regular position after certification from an eligible list. It shall not include time served under provisional appointment or under appointment to limited term positions or any period of continuous leave of absence without pay or period of work connected disability exceeding fifteen (15) calendar days.

For those employees appointed to intermittent positions with a twelve (12) month probation period, probation will be considered completed upon serving two thousand (2,000) hours after appointment, except that in no instance will this period be less than twelve (12) calendar months from the beginning of probation. If a permanent-intermittent probationary employee is reassigned to full-time, credit toward probation completion in the full-time position shall be prorated on the basis of one hundred seventy-three (173) hours per month.

**18.3. Rejection During Probation.** An employee who is rejected during the probation period and restored to the eligible list shall begin a new probationary period if subsequently certified and appointed.

- A. Appeal From Rejection. Notwithstanding any other provisions of this section, an employee (probationer) shall have the right to appeal from any rejection during the probationary period based on political, or religious, or union activities, or race, color, national origin, sex, age, disability, or sexual orientation.
- B. The appeal must be written, must be signed by the employee and set forth the grounds and facts by which it is claimed that grounds for appeal exist under Subsection A and must be filed through the District to the Board by 5:00 p.m. on the seventh (7th) calendar day after the date of delivery to the employee of notice of rejection.
- C. The Board shall consider the appeal, and if it finds probable cause to believe that the rejection may have been based on grounds prohibited in Subsection A, it may refer the matter to a Hearing Officer for hearing, recommended findings of fact, conclusions of law and decision, pursuant to the relevant provisions of the Board rules in which proceedings the rejected probationer has the burden of proof.
- D. If the Board finds no probable cause for a hearing, it shall deny the appeal. If, after hearing, the Board upholds the appeal, it shall direct that the appellant be reinstated in the position and the appellant shall begin a new probationary period unless the Board specifically reinstates the former period.

**18.4. Regular Appointment.** The regular appointment of a probationary employee will begin on the day following the end of the probationary period. A probationary employee may be rejected at any time during the probation period without regard to the Skelly provisions of this MOU, without notice and without right of appeal or hearing, except as provided in Section 18.3.A.

Notwithstanding any other provisions of the MOU, an employee rejected during the probation period from a position to which the employee had been promoted or transferred shall be restored to a position from which the employee was promoted or transferred.

An employee dismissed for other than disciplinary reasons within six (6) months after being promoted or transferred from a position shall be restored to a position in the classification from which the employee was promoted or transferred.

A probationary employee who has been rejected or has resigned during probation shall not be restored to the eligible list from which the employee was certified unless the employee receives the affirmative recommendation from the appointing authority and is certified by the District whose decision is final. The District shall not certify the name of a person restored to the eligible list to

the same appointing authority by whom the person was rejected from the same eligible list, unless such certification is requested in writing by the appointing authority.

**18.5. Layoff During Probation.** An employee, who is laid off during probation, if reemployed in the same class shall be required to complete only the balance of the required probation.

If reemployed in another classification, the employee shall serve a full probationary period.

**18.6. Rejection During Probation of Layoff Employee.** An employee who has achieved regular status in the class before layoff and who subsequently is appointed from the layoff list and then rejected during the probation period shall be automatically restored to the layoff list, unless discharged for cause, if the person is within the period of layoff eligibility. The employee shall begin a new probation period if subsequently certified and appointed in a different classification than that from which the employee was laid off.

## **SECTION 19 — PROMOTION/EXAMINATIONS**

**19.1. Competitive Exam.** Promotion shall be by competitive examination unless otherwise provided in this MOU.

**19.2. Promotion Policy.** The District shall determine whether an examination is to be called on a promotional basis.

**19.3. Open Exams.** If an examination for one of the classes represented by the Union is proposed to be announced on an open only basis, the District shall give five (5) days prior notice of such proposed announcement and shall meet at the request of the Union to discuss the reasons for such open announcement.

**19.4. Disqualification From Taking Examination.** If disqualified from taking an examination, an employee may utilize the appeal process specified in the Personnel Management Regulations for employees disqualified from taking an examination.

**19.5. Release Time for Examinations.** Regular employees shall be granted release time from work without loss of pay to take County examinations or take interviews for a County position provided the employee gives the District sufficient notice of the need for time off. Managers conducting interviews should provide an adequate and appropriate schedule for the interview to ensure that any operational impact that may be caused by an employee's absence to attend the interview will be minimized.

**19.6. Release Time for Physical Examinations.** District employees who are required as part of the promotional examination process to take a physical examination shall do so on District time at the District's expense.

**19.7. Promotion Via Reclassification Without Exam.** Notwithstanding other provisions of this Section, an employee may be promoted from one classification to a higher classification and his/her position reclassified at the request of the appointing authority and under the following conditions:

- A. An evaluation of the position(s) in question must show that the duties and responsibilities have significantly increased and constitute a higher level of work.

- B. The incumbent of the position must have performed at the higher level for six (6) months.
- C. The incumbent must meet the minimum education and experience requirements for the higher class.
- D. The action must have approval of the District.
- E. The Union approves such action.
- F. Except in unique situations approved by the District, the employee must have passed the examination, if any, for the classification and be on the eligible list. The appropriate rules regarding probationary status and salary on promotion are applicable.

**19.8. Requirements for Promotional Standing.** In order to qualify for an examination called on a promotional basis, an employee must have probationary or regular status and must possess the minimum qualifications for the class. Applicants will be admitted to promotional examinations only if the requirements are met on or before the final filing date. If an employee who is qualified on a promotional employment list is separated from the District, except by layoff, the employee's name shall be removed from the promotional list..

**19.9. Seniority Credits.** Employees who have qualified to take promotional examinations and who have earned a total score, not including seniority credits, of seventy percent (70%) or more shall receive, in addition to all other credits, five one-hundredths of one percent (.05%) for each completed month of service as a regular District employee continuously preceding the final date for filing application for said examination. For purposes of seniority credits, leaves of absence shall be considered as service. Seniority credits shall be included in the final percentage score from which the rank on the promotional list is determined. No employee, however, shall receive more than a total of five percent (5%) credit for seniority in any promotional examination.

## **SECTION 20 — PERFORMANCE EVALUATIONS**

- A. **Goal:** A basic goal of the employee evaluation is to help each employee perform his/her job more effectively to the mutual benefit of the employee and the District. The evaluation process provides an ongoing means of evaluating an employee's job performance and promoting the improvement of the job performance. The evaluation process also provides the opportunity to recognize and document outstanding service as well as service that has been unsatisfactory to the District.
- B. **Frequency of Evaluation.**
  - 1. Probationary employees must be evaluated at least once during their probationary period.
  - 2. Employees may be evaluated every year.
- C. **Procedure.**
  - 1. An employee be evaluated by the supervisor.

2. Evaluations will be based primarily on observation of the employee in the performance of his/her duties.
3. An employee will be informed in advance of a meeting with his/her supervisor to discuss the employee's evaluation.
4. The employee will be provided his/her evaluation in writing.
5. The employee has the right to prepare and have attached to the evaluation any written comments that the employee wishes to make.
6. When an employee is rated below satisfactory, the evaluation will give the reasons for such rating and include specific recommendations for improvement in writing.
7. Any rating below average or unsatisfactory must be supported by explanation received by the employee prior to the evaluation presentation.
8. The employee's signing of an evaluation does not mean that the employee agrees with the evaluation, but it does mean that the employee has had the opportunity to discuss the evaluation with his/her evaluator.
9. The employee will be given a copy of his/her completed evaluation form at the time the form is signed by the employee.
10. Nothing may be added by management to an evaluation after the employee has signed and received a copy of the evaluation, without the employee's written acknowledgment.

Failure to follow the foregoing procedure is subject to the grievance procedure. However, disputes over the actual content or ratings themselves in individual evaluations are not grievable.

## **SECTION 21 — DISMISSAL, SUSPENSION, TEMPORARY REDUCTION IN PAY, AND DEMOTION**

**21.1. Sufficient Cause for Action.** The appointing authority may dismiss, suspend, temporarily reduce pay, or demote any employee for cause. A temporary reduction in pay is not to exceed more than five percent (5%) for a period of up to three (3) months. Suspensions without pay shall not exceed thirty (30) calendar days unless ordered by an arbitrator or an adjustment board.

The following are sufficient causes for such action; the list is indicative rather than inclusive of restrictions and dismissal, suspension, temporary reduction in pay, or demotion may be based on reasons other than those specifically mentioned:

**21.2. Skelly Requirements – Notice of Proposed Action (Skelly Notice).** Before taking a disciplinary action to dismiss, suspend for more than three (3) work days, temporarily reduce the pay of, or demote an employee, the appointing authority shall cause to be served personally or by certified mail, on the employee, a Notice of Proposed Action, which shall contain the following:

- A. A statement of the action proposed to be taken.

If the employee signs the authorization document and returns it to the appointing authority, the appointing authority will thereafter, within one work day, provide a copy of the employee's Notice of Proposed Action to his/her union, as authorized.

**21.4. Employee Response.** The employee upon whom a Notice of Proposed Action has been served shall have seven (7) calendar days to respond to the appointing authority either orally or in writing before the proposed action may be taken. Upon request of the employee and for good cause, the appointing authority may extend in writing the period to respond. If the employee's response is not filed within seven (7) calendar days or during any extension, the right to respond is lost.

**21.5. Leave Pending Employee Response.** Pending response to a Notice of Proposed Action within the first seven (7) calendar days or extension thereof, the appointing authority for cause specified in writing may place the employee on temporary leave of absence, with pay.

**21.6. Order and Notice of Action.**

- A. In any disciplinary action to dismiss, suspend, temporarily reduce pay, or demote an employee having regular status, after having complied with the Skelly requirements where applicable, the appointing authority shall make an order in writing stating specifically the causes for the action.
- B. **Service of Order.** Said order of dismissal, suspension, temporary reduction of pay, or demotion shall be filed with the District, showing by whom and the date a copy was served upon the employee to be dismissed, suspended or demoted, either personally or by certified mail to the employee's last known mailing address. The order shall be effective either upon personal service or deposit in the U. S. Postal Service.
- C. **Employee Appeals from Order.** The employee may appeal an order of dismissal, suspension, temporary reduction of pay, or demotion through the procedures of Section 22 - Grievance Procedure of this MOU provided that such appeal is filed in writing with the District within ten (10) calendar days after service of said order.

**21.7. Order and Notice of Action — Notice to Union.** In addition to the Order and Notice, the appointing authority will serve the employee with a document that gives the employee the option of authorizing the District to provide his/her union with a copy of the Order and Notice. If the employee signs the authorization document and returns it to the appointing authority, the appointing authority will thereafter, within one work day, provide a copy of the employee's Order and Notice to his/her union, as authorized.

**21.8. Disciplinary Actions.** If the employee so requests in writing a copy of any written disciplinary action affecting an employee, it shall be furnished to the Union.

**21.9. Weingarten Rights.** The District recognizes an employee's right to representation during an investigatory interview or meeting that may result in discipline. The District shall not interfere with the representative's right to assist an employee to clarify the facts during the interview. If the employee requests a union representative, the investigatory interview shall be temporarily recessed for a reasonable period of time until a union representative can be present. For those interviews, which by nature of the incident must take place immediately, the union will take reasonable steps to make a union representative immediately available.

The employer shall inform the employee of the general nature of the investigation at the time the employer directs the employee to be interviewed.

## **SECTION 22 — GRIEVANCE PROCEDURE**

**22.1. Definition and Procedural Steps.** A grievance is any dispute which involves the interpretation or application of any provision of this MOU excluding, however, those provisions of this MOU which specifically provide that the decision of any District official shall be final, the interpretation or application of those provisions not being subject to the grievance procedure. The Union may represent the grievant at any stage of the process. Grievances must be filed within thirty (30) calendar days of the incident or occurrence about which the employee claims to have a grievance and shall be processed in the following manner:

**Step 1.** Any employee or group of employees who believes that a provision of this MOU has been misinterpreted or misapplied to his or her detriment shall discuss the complaint with the grievant's immediate supervisor, who shall meet with the grievant within five (5) work days of receipt of a written request to hold such meeting. Grievances challenging suspensions, reductions in pay, demotions and terminations may be filed at Step 2 within the time frame set forth above.

**Step 2.** If a grievance is not satisfactorily resolved in Step 1 above, the grievant may appeal in writing within ten (10) work days to the Fire Chief. The Fire Chief or his/her designee shall have twenty (20) work days in which to investigate the merit of the complaint and to meet together at the same time with the grievant, and the Union. For grievances involving interpretation of this MOU, the Fire Chief or his/her designee will decide the grievance on its merits and provide the grievant, and the union with a written decision. For grievances involving appeals from disciplinary action, the Fire Chief or designee will attempt to settle the grievance. In the event that the grievance is not settled, the Fire Chief or designee will provide written notice of that fact to the grievant, and the Union.

**Step 3.** No grievance may be processed under this Section which has not first been filed and investigated in accordance with Step 2 above and filed by the union within ten (10) work days of the written response of the Fire Chief or designee. If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is presented during the term of this MOU, such grievance shall be submitted in writing to the District or designee within seven (7) workdays requesting referral to mediation (State Mediation and Conciliation Service). The mediation option is only available with the concurrence of the District or designee.

This step of the grievance procedure may be waived by the written mutual agreement of the parties.

**Step 4.** If the parties are unable to reach a settlement either the Union (or the District, when alleging a violation of Section 36 — Strike/Work Stoppage) whichever is the moving party, may require that the grievance be referred to an impartial arbitrator who shall be designated by mutual agreement between the grievant and the District. Such request shall be submitted within twenty (20) work days of the rendering of the Adjustment Board decision. Within twenty (20) days of the request for arbitration the parties shall mutually select an arbitrator who shall render a decision within thirty (30) workdays from the date of final submission of the grievance including receipt of the court reporter's transcript and post-hearing briefs, if any. The fees and expenses of the arbitrator and of the Court Reporter shall be shared equally by the grievant and the District. Each party, however, shall bear the costs of its own presentation, including preparation and post hearing briefs, if any.

**22.2. Scope of Arbitration Decisions.**

- A. Decisions of arbitrators, on matters properly before them, are final and binding on the parties hereto, to the extent permitted by law.
- B. No arbitrator may entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union which has been certified as the recognized employee organization for such unit and unless such dispute falls within the definition of a grievance as set forth in Subsection 22.1 above.
- C. Proposals to add to or change this MOU or to change written agreements supplementary hereto shall not be arbitrable and no proposal to modify, amend, or terminate this MOU, nor any matter or subject arising out of or in connection with such proposals, may be referred to arbitration under this Section. No arbitrator has the power to amend or modify this MOU or written agreements supplementary hereto or to establish any new terms or conditions of employment.
- D. If the District in pursuance of the procedures outlined in Subsection 22.1, resolve a grievance which involves suspension or discharge, they may agree, to payment for lost time or to reinstatement with or without payment for lost time.
- E. No change in this MOU or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the District and the Union.

**22.3. Time Limits.** The time limits specified above may be waived by mutual agreement of the parties to the grievance. If the District fails to meet the time limits specified in Steps 1 and 2 above, the grievance will automatically move to the next step. If a grievant fails to meet the time limits specified in Steps 1 and 2 above, the grievance will be deemed to have been settled and withdrawn.

**22.4. Union Notification.** The District shall provide the Union with a copy of any formal grievance(s) filed by a grievant.

**22.5. Filing by Union.** The Union may file a grievance at Step 2 on behalf of affected employees when action by the District violates a provision of this MOU.

**22.6. Disputes Over Existence of Grievance.** Disputes over whether a grievance exists as defined in Section 22.1 shall be resolved through the grievance procedure.

## **SECTION 23 — PERSONNEL FILES**

The District shall maintain only one official personnel file per employee. Employees shall have the right to inspect and review any official record(s) relating to his or her performance as an employee or to a grievance concerning the employee which is kept or maintained by the District in the employee's personnel file. The employee's union representative, with written authorization by the employee, shall also have the right to inspect and review any official record(s) described above. The contents\_ of such records shall be made available to the employee and/or the employee's union representative for inspection and review at reasonable intervals during the regular business hours of the District.

Letters of reprimand are subject to the grievance procedure but shall not be processed past Step 2 unless said letters are used in a subsequent discharge, suspension or demotion of the employee, in which case an appeal of the letters of reprimand may be considered at the same time as the appeal of the disciplinary action. Copies of written reprimands or memoranda pertaining to an employee's unsatisfactory performance which are to be placed in the employee's personnel file shall be given to the employee who shall have the right to respond in writing to said documents.

Derogatory material in an employee's personnel file (such as warning letters) over two (2) years old will not be used in a subsequent disciplinary action unless directly related to the action upon which the discipline is taken. Derogatory material does not include prior suspensions, demotions or dismissals for cause.

The District shall provide an opportunity for the employee to respond in writing to any information which is in the employee's personnel file about which he or she disagrees. Such response shall become a permanent part of the employee's personnel record. The employee shall be responsible for providing the written responses to be included as part of the employee's permanent personnel record.

This section does not apply to the records of an employee relating to the investigation of a possible criminal offense, medical records and information or letters of reference.

Employees have the right to review their official personnel files which are maintained by the District during their work hours. For those employees whose work hours do not coincide with the District's business hours, management shall provide a copy of the employee's personnel file for their review. The Custodian of records will certify that the copy is a true and correct copy of the original file. In a case involving a grievance or disciplinary action, the employee's designated representative may also review his/her personnel file with specific written authorization from the employee.

## **SECTION 24 — RESIGNATIONS**

An employee's voluntary termination of service is a resignation. Written resignations shall be forwarded to the District immediately on receipt, and shall indicate the effective date of termination. Oral resignation shall be immediately confirmed by the appointing authority in writing to the employee shall indicate the effective date of termination.

**24.1. Resignation in Good Standing.** A resignation giving the appointing authority written notice at least two (2) weeks in advance of the last date of service (unless the appointing authority requires a longer period of notice, or consents to the employee's terminating on shorter notice) is a resignation in good standing.

**24.2. Constructive Resignation.** A constructive resignation occurs and is effective when:

- a. An employee has been absent from duty for five (5) consecutive working days without leave; and
- b. Five (5) more consecutive working days have elapsed without response by employee after the mailing of a notice of resignation by the appointing authority to the employee at the employee's last known address.
- c. The letter to the employee will include a document that gives the employee the option of authorizing the District to provide his/her union with a copy of the constructive resignation letter. If the employee signs the authorization document and returns it to the appointing authority, the appointing authority will thereafter, within one work day, provide a copy of the constructive resignation letter to the employee's union, as authorized.

**24.3. Effective Resignation.** A resignation is effective when delivered or spoken to the appointing authority, operative either on that date or another date specified.

**24.4. Revocation.** A resignation that is effective is revocable only by written concurrence of the employee and the appointing authority, except that an oral resignation that is rescinded in writing and delivered to the appointing authority by the end of the workday following the oral resignation must be accepted by the appointing authority.

**24.5. Coerced Resignations.**

- A. **Time Limit.** A resignation which the employee believes has been coerced by the appointing authority may be revoked within seven (7) calendar days after its expression, by serving written notice on the District.
- B. **Reinstatement.** If the appointing authority acknowledges that the employee could have believed that the resignation was coerced, it shall be revoked and the employee returned to duty effective on the day following the appointing authority's acknowledgment without loss of seniority or pay.
- C. **Contest.** Unless, within seven (7) days of the receipt of the notice, the appointing authority acknowledges that the resignation could have been believed to be coerced, this question should be handled as an appeal under the grievance procedure contained in Section 22 — Grievance Procedure of the MOU beginning with Step 2.

- D. **Disposition.** If a final decision is rendered that determines that the resignation was coerced, the resignation shall be deemed revoked and the employee returned to duty effective on the day following the decision but without loss of seniority or pay, subject to the employee's duty to mitigate damages.

**24.6. Eligibility for Reemployment.** Within one (1) year of resignation in good standing from District service, a person who has had regular status which included satisfactory completion of probation may make application by letter to the District for placement on a reemployment list as follows: the class from which the person resigned; or any one class of equal or lesser rank in the occupational series and in which the person had previously attained regular status; or for any class which has replaced the class in which the person previously had status, provided that the person meets the minimum requirements for the new class. If the appointing authority recommends reemployment the District shall grant reemployment privileges to the person. Consideration of names from a reemployment list is mandatory if the appointing authority recommended reemployment of the individual(s) listed but is optional for other appointing authorities. Names may be removed from reemployment lists in accordance with the provisions of Section 9.2(J) — Separation Through Layoff of this MOU.

## **SECTION 25 — JURY DUTY AND WITNESS DUTY**

**25.1. Jury Duty.** For purposes of this Section, jury duty shall be defined as any time an employee is obligated to report to the court.

Employees shall advise the District as soon as possible if scheduled to appear for jury duty.

If summoned for jury duty in a Superior, Federal Court, or a Coroner's jury, employees may remain in their regular District pay status, or they may take paid leave (vacation, floating holiday, etc.) or leave without pay and retain all fees and expenses paid to them.

When an employee is summoned for jury duty selection or is selected as a juror in a Superior or Federal Court, employees may remain in a regular pay status if they waive all fees (other than mileage), regardless of shift assignment and the following shall apply:

1. If an employee elects to remain in a regular pay status and waive or surrender all fees (other than mileage), the employee shall obtain from the Clerk or Jury Commissioner a certificate indicating the days attended and noting that fees other than mileage are waived or surrendered. The employee shall furnish the certificate to the District where it will be retained. No "Absence/Overtime Record" is required.
2. An employee who elects to retain all fees must take leave (vacation, floating holiday, etc.) or leave without pay. No court certificate is required but an "Absence/Overtime Record" must be submitted to the District payroll clerk.
