**Get Ready**

- Provide defensible space around structures for a distance of at least 100 feet.
- Clear flammable materials from rain gutters and roof.
- Trim tree branches at least 10 feet from chimney.
- Clear at least 10 feet around propane tanks.
- For more information on legal requirements see www.ReadyForWildfire.org
- Replace flammable vegetation with less flammable plants.
- Use fire-resistant materials for roofing and siding.
- Move wood piles away from house.
- Make sure your water tank is full and the hydrant is accessible and marked with a blue reflector.
- Have garden hose and ladder available that will reach the roof.
- Locate escape routes and Temporary Refuge Areas. (See map inside)
- Have an escape plan. Know where to meet your family.
- Choose an out-of-area friend or relative as a check-in contact. Write his/her phone number on the phone list inside.

**Go**

- Citizens may be notified by fire personnel and/or law enforcement personnel if evacuation is necessary.
- Safely make your way out of the area. If unable to evacuate completely, go to the closest Temporary Refuge Area. (See map inside)
- The Red Cross will establish evacuation centers.
- If evacuated, contact the Red Cross to provide information about your status so that family or friends can be informed.
- After an area has been evacuated, the area will remain closed until the threat has passed.
- MOST IMPORTANTLY, if you feel unsafe, don’t wait. Follow the checklist items and get out.
If You Become Trapped

In your home:
- Stay inside until the fire passes.
- Close all windows.
- Keep all doors closed, but unlocked.
- Keep family together and remain calm.
- Remember, if it gets hot inside your house, it will be much hotter outside.

In your car:
- Park away from vegetation.
- Roll up windows.
- Cover mouth with dry cloth to protect airway.
- Cover yourself with a blanket or jacket.
- Stay in the car until the fire passes.
- If the vehicle catches on fire, exit only after the wildfire has passed.

On foot:
- Find an area away from vegetation.
- Lie face down.
- Cover mouth with dry cloth to protect airway.

After the Fire Passes:
- Check the roof and exterior of your home, extinguish all sparks and embers.
- Check your attic for hidden embers.
- Check your yard for burning wood piles, trees, fence posts or other materials.

Returning to Your Home:
- Emergency Managers will decide when it is safe to return.
- Information will be available through the media, at road blocks, shelters, and the CAL FIRE information line.
